

Brief Profile

Mr. Shailesh Gala

Independent Director

Mr. Shailesh Gala is the Independent Director of the Panabyte Technologies Limited. With over 30 years of experience in the electronics industry, Mr. Shailesh Gala is a seasoned professional and a leader in the field. He pursued his education in Audio & Video Engineering and began his career at VISHA WORLD (formerly VISHA Electronics Corporation) in 1995.

In 2005, he founded UC Micro Systems, focusing on serving the electronics industry's R&D and Production departments. He was instrumental in the development of ucFlash, the first IC programming tool, which revolutionized the R&D industry 14 years ago.

In 2008, Mr. Gala founded LARE – Laboratory for Applied Research in Electronics, a hands-on embedded training center at CBD Belapur, further strengthening his commitment to fostering growth and education within the electronics domain.

In 2014, he launched a new vertical at VISHA WORLD focusing on Sensors & Modules. From 250+ products at inception, this vertical has expanded exponentially to over 1200 products today.

Throughout his career, Mr. Gala has honed his expertise in Electronics R&D, positioning himself as an innovation enabler with strong leadership and strategic insights. His well-rounded administrative, practical, and business knowledge continues to be an invaluable asset to the company.
